1. Introduction

University clubs play a vital role in enhancing student life by offering opportunities for leadership, skill development, social interaction, and personal growth. This directory provides a comprehensive overview of the various clubs available on campus, including their purpose, usual activities, meeting locations, and contact information.

The aim of this document is to serve as a reference guide for students who wish to explore extracurricular involvement and for administrative use in showcasing student engagement.

2. How to Use This Directory

Each club listing in this document follows a standardized format for consistency and ease of reference:

Club Name

- Category
- Description
- Usual Activities
- Meeting Location
- Meeting Schedule
- Contact Information

All information provided is illustrative and may be adapted to fit real institutional requirements.

3. Academic & Professional Clubs

3.1 Computer Science Society
